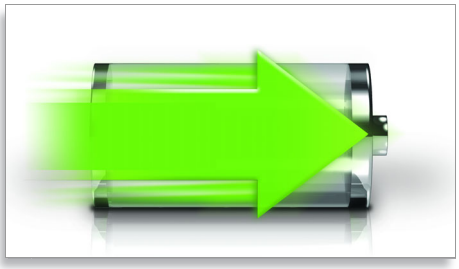
Highlights

Delivers more power



Don't sit around waiting for your device to charge! The higher power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.

Intelligent status light
The 3-stage light glows to indicate charging status at a glance: White or Red = Plugged in, Yellow = Charging, Green = Fully Charged.

Replaceable safety fuse
The car charger features a replaceable safey fuse which protects your device against electrical surges in your car.

Coiled cable
A coiled cable means convenient access to your device as well as less cable clutter.
